

PUBLIC NOTICE
MONTGOMERY COUNTY PUBLIC SCHOOLS
CAREER & TECHNICAL EDUCATION

Montgomery County Public Schools is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex, disability and/or age in its activities, programs or employment practices as required by Title VI, Title IX and Section 504.

Students attending Montgomery County Public Schools in grades 7 – 12 may participate in career & technical programs and activities, including agriculture, business & information technology, health & medical sciences, marketing, family & consumer sciences, technology, and trade & industrial studies. Educational programs and services will be designed to meet the varying needs of all students and will not discriminate against any individual for reasons of race, color, national origin, sex, disability and/or age.

For information regarding civil rights or grievance procedures, contact the Title IX Coordinator, the Section 504 Coordinator, or the Director of Human Resources at 200 Junkin Street, Christiansburg, VA, 24073, telephone 540-382-5100.

For information regarding services, activities and facilities that are accessible to and usable by disabled persons, contact the Director of Facilities at 540-382-5141.
